

ATTENTION: Current ACE Truck Manifest UI will be **RETIRED** on
Wednesday, April 29, 2020

On April 29, 2020, CBP will retire the current ACE Truck Manifest User Interface (UI) in the ACE Secure Data Portal and will switch to the modernized UI for all ACE Portal truck manifest filings. For more information, visit cbp.gov/ace. To support users through this transition, CBP will offer the following training webinars and support calls. Early registration for the trainings is encouraged. Training webinars will last approximately 90 minutes. *All times below are ET.*
